University of Wisconsin, U.S. Department of Agriculture and Wisconsin counties cooperating. UW-Extension provides equal opportunities in employment and programming including Title IX and ADA

The BARN QUILTS OF LAFAYETTE COUNTY Project honors the unique agricultural experience of Lafayette County by calling attention to our barns, which are vital to the economic well being of our rural communities, and the comfort and artistic beauty of handmade quilts. The project provides a unique opportunity for groups and individuals to work together to cover Lafayette County in a blanket of barn quilts.

Barn Quilts are colorful 8 foot square painted plywood quilt blocks mounted on barns or other buildings. The quilt blocks honor the art of quilting, celebrate our agricultural heritage, and help preserve the architecture and history of our local barns.

The idea originated in Ohio by Sue Ann Groves who wanted to honor her mother, an avid quilter. A "Clothesline of Quilts" has since spread throughout 22 states including Iowa, Missouri, New York, the Appalachian Trail states, and now, Lafayette County, Wisconsin!
